

COLORCASCADE®
LED LIGHT BUBBLER

Watch your pool come alive with colour

EXPERIENCE THE BRILLIANCE OF COLOUR-CHANGING LED LIGHT BUBBLERS

The ColorCascade® LED Light Bubbler is a vivid mix of colour-changing LED lighting and fountain-like water movement. Whether you're in the mood to relax or entertain, ColorCascade bubblers are the perfect way to showcase and enhance pool features like sun shelves, steps, and beach entries. Their low voltage and minimal water flow requirements make them an ideal, energy-efficient addition to pools, fountains, ponds and more. Plus, they add eye-catching style and soothing sound to heighten your senses and elevate your aquatic experience.

Product Features:

- Energy efficient colour LED lights— features 5 vibrant colours and 7 dazzling light shows.
- Perfectly synchronizes with IntelliBrite® 5g Underwater Colour-Changing LED Pool and Spa Lights.
- Comes complete with selection of nozzles for different effects.
- Compatible with IntelliTouch® and EasyTouch® Control Systems.
- Low flow requirements allow for multiple units per pool.
- PVC niche provides for flush mounting.
- Designed for 5-25cm water depth.
- Low voltage operation – 12 VAC / 16 W.
- Cord length is 30m.
- 1 year full replacement warranty

The Simplicity of Compatibility

The ColorCascade bubbler is more than a stand-alone water feature. It is fully compatible and perfectly synchronizes with our IntelliBrite 5g line of LED lights. When used with an optional Pool Automation System, pool owners can enjoy fast and easy control of colour options and dazzling, pre-programmed light shows.

For the ultimate in convenience and control, consider an EasyTouch or IntelliTouch control system. You can custom program and control ColorCascade bubblers along with monitoring and controlling other features such as heaters, water fountains, spa jets, lights and more. Pair either system with our optional ScreenLogic® Interface and enjoy control from practically anywhere...anytime from a PC, Mac® computer, iPhone®, iPad®, or iPod touch® mobile digital device.
