

# ECO-CHLOR SM SALT WATER CHLORINATORS

## REPLACEMENT PARTS

| Item                                 | Part No.     | Description                                    |
|--------------------------------------|--------------|--|
| ECO-CHLOR SM SALT WATER CHLORINATORS |              |  |
| 1                                    | TLCD-CC      | Timer Quartz LCD (used on SM**PWCCQ models)    |
| 1                                    | FM1STUH01    | Timer Analogue (used on SM**PWCC models)       |
| 2                                    | SMPCB15      | Control PCB for SM15PWCC(Q) models             |
| 2                                    | SMPCB25      | Control PCB for SM25PWCC(Q) models             |
| 2                                    | SMPCB35      | Control PCB for SM35PWCC(Q) models             |
| 2                                    | SMPCB45      | Control PCB for SM45PWCC(Q) models             |
| 3                                    | SMMPCB       | Main Power PCB                                 |
| 4                                    | SMCELLCAB    | Cell Cable - Complete with Brassware           |
| NOT SHOWN                            |              |  |
|                                      | SMCELLNUT    | Barrel Union Nut on Chlorinator Cell           |
|                                      | SMCELLORING  | Barrel Union O-Ring on Chlorinator Cell        |
|                                      | SMCELLTAIL   | Barrel Union Tail on Chlorinator Cell          |
|                                      | SMPP15       | Complete New Power Pack for SM15PWCC(Q) models |
|                                      | SMPP25       | Complete New Power Pack for SM25PWCC(Q) models |
|                                      | SMPP35       | Complete New Power Pack for SM35PWCC(Q) models |
|                                      | SMPP45       | Complete New Power Pack for SM45PWCC(Q) models |
|                                      | CELLPWCCSM15 | Complete New Cell for SM15PWCC(Q) models       |
|                                      | CELLPWCCSM25 | Complete New Cell for SM25PWCC(Q) models       |
|                                      | CELLPWCCSM35 | Complete New Cell for SM35PWCC(Q) models       |
|                                      | CELLPWCCSM45 | Complete New Cell for SM45PWCC(Q) models       |
